HOME WARRANTY AGREEMENT

This Home Warranty Agreement, hereinafter referred to as the "Agreement", is marketed through HMS National, Inc. The Agreement is issued by the entity listed for your state in Section VI. of this Agreement. Such entity is hereinafter referred to as the "Issuing Company", or "we", "us", and/or "our". The owner of the home covered by this Agreement is hereinafter referred to as "you" and/or "your". This is a Home Warranty Agreement, not an insurance policy.

This Agreement is intended to provide protection against the cost of repairing certain items in your home due to mechanical failure. **Please read the Agreement carefully. Coverage includes only certain mechanical failures of the specific items listed as covered on your Agreement Coverage Summary and excludes all other failures and/or items. The Agreement Coverage Summary is attached to and made a part of this Agreement.** Coverage is subject to the limitations and conditions specified in this Agreement

This Agreement has provisions for the use of final and binding arbitration to resolve disputes and otherwise limits the remedies available to you. Please see DISPUTE RESOLUTION section for more information about arbitration.

I. BASIS FOR COVERAGE

We agree to pay the covered costs to repair or replace the items listed as covered in your Agreement Coverage Summary if any such items become inoperable during the term of this Agreement due to mechanical failure caused by routine wear and tear, subject to the terms and conditions of this Agreement. Determination of coverage for any claim will be made solely by us, considering but not limited to, our independent contractor's diagnosis.

This Agreement covers only mechanical failures relating to the mechanical parts and components of those domestic-grade items that were in the home and in proper operating condition on the Agreement effective date. "Mechanical failure" occurs when a covered item becomes inoperable and unable to perform its designed function, subject to the limitations and conditions set forth herein. Mechanical failure due to an unknown pre-existing condition is not covered in the Seller Home Warranty. We will cover an unknown pre-existing mechanical failure provided the failure could not have been detected by visual inspection or simple mechanical test in the Buyer Conversion, Buyer Direct, Open Direct or New Home Warranty on the agreement effective date. A visual inspection of the covered item is considered to mean the viewing of an item to verify that it appears structurally intact and without damage or missing parts that would indicate inoperability. A simple mechanical test means the ability to turn the unit off and on verifying the item operates without irregular sounds or smoke that may indicate a problem. In certain instances, we may require documentation from you during a claim review.

Mechanical failure due to rust and corrosion is not covered in the Seller Home Warranty. Mechanical failure due to rust and corrosion is covered after the Agreement effective date in the Buyer Conversion, Buyer Direct, Open Direct or New Home Warranty. The covered item will be deemed to have been in "proper operating condition" on the Agreement effective date if it was correctly located within the home, was properly installed to code at the time of installation, was fully connected, was capable of successfully performing all operations commensurate with the manufacturer's original design intention, and did not pose any hazard to life or property. Determination of the operating condition as of Agreement effective date, and the nature of any failure, will be made by us based upon the professional opinion of our direct employees, considering but not limited to, our independent contractor's diagnosis.

II. DEFINITION OF ITEMS

This Agreement provides coverage only for those items specifically listed as covered in your Agreement Coverage Summary. **An additional fee may be required for certain systems, appliances or optional coverages. Coverage of some items may not be available under all plans or in every state. This Agreement defines precisely what mechanical systems and appliances, and which of their parts and components, are covered; only those items specifically so described are covered, subject to the limitations and conditions herein.** Covered Items must be "Domestic-grade" items which are designated by the manufacturer, manufactured and marketed solely for installation and use in a residential single family dwelling. The items listed in this section as "Examples of Items/Conditions Not Covered" are not meant to be all-inclusive and are provided for illustration. They do not limit our right to decline coverage for items not on the lists and should not in any way be deemed an expansion of items specified as Covered.

Premier Upgrade Package Option (Buyer Only)

Adding this package to your Home Warranty Agreement provides additional benefits on a covered claim. Certain repairs or replacements may require additional fees that are not normally covered under your Home Warranty Agreement, such as, but not limited to, disposal of equipment; duct, electrical and/or plumbing modifications; reclamation of refrigerant; code upgrades; permits; condenser pads; etc. **We will provide up to \$1,000 towards typically excluded non-covered charges when repairing or replacing a covered item.** In no event shall we be liable to cover fees and/or disposal arising from hazardous and/or toxic materials or asbestos. **Package limits apply to one (1) covered item, per claim. Each claim event is capped for up to \$1,000; any unused portion of the benefit cannot be applied towards a future claim. In no event shall we be liable for more than two (2) claims per agreement term, for an aggregate amount of up to \$2,000.** This benefit does not apply to equipment; items; or failures deemed ineligible for coverage.

6. Should any building or zoning permits be necessary, you are responsible for paying for and/or obtaining these permits and the cost associated with these permits.

7. At our discretion, we may elect to replace a covered item rather than repair it. **The decision to replace rather than repair items is solely our option.** Should we choose to replace an item, the replacement will be the base model that meets all applicable federally mandated minimal manufacturers' standards, performs the same primary function, and has a capacity comparable with the covered item, when available with domestically assembled units. We will make reasonable efforts to provide replacement items of similar mechanical capabilities and/or efficiency of the original unit, when available. We are not liable to provide exact match in color, dye, lot, material, type or brand, including but not limited to professional series or ultra-premium appliances, such as Bosch, Dacor, Fisher & Paykel, GE Monogram Series, Jenn-Air, Meile, Sub-Zero, Thermador or Viking (individual trademarks are owned by the brand name company). When replacing systems or appliances, we will be responsible for the installation of the replacement item but not for the cost of the construction, modifications, carpentry or transitional work made necessary in order to accommodate the replacement, nor for any costs to upgrade or modify items for any reason. Should we determine to replace an item and you instead choose to elect a repair that item is excluded from further coverage under this Agreement and subsequent renewals.

8. At our discretion, we may give you the option to elect to receive a repair/replacement credit or cash payment (net of deductible) in lieu of providing a repair/replacement. In such cases, the amount of such credit shall be equal to the lesser of our approved cost of repair/replacement or your actual and/or estimated cost of repair/replacement. If you elect a credit to our independent contractor, we will pay that amount directly to the independent contractor after the work has been completed. If you elect the cash payment, you must supply documentation supporting that the item in question has been purchased, replaced or repaired prior to receiving the cash payment. Any replacement item must be installed in the covered property as listed on the Agreement Summary Page. **The amount of the approved cost of repair or replacement will be established by us at our sole discretion.** We reserve the right to inspect repaired and/or replacement items.

9. We reserve the right to obtain, at our expense, a second opinion by an independent contractor prior to determining eligibility for coverage.

V. CANCELLATION

1. You may void this Agreement within thirty (30) days of the coverage effective date for a full refund of the contract fees paid if no claim has been made. The right to void this Agreement as provided in this paragraph is not transferable. A ten (10) percent penalty per month will be added to any refund required under this paragraph, including any accrued penalties, that is not paid or credited within thirty (30) days after termination of this Agreement pursuant to this paragraph.

2. You may cancel this Agreement within thirty (30) days of the coverage effective date if a claim has been made, or at any time thereafter, at which time you may be entitled to a refund of unearned contract fees paid based on the short rate schedule less a processing fee of twenty-five dollars (\$25) and less the cost of any services performed pursuant to the Agreement, where permitted by law. If the refund calculation results in you owing us payment for services provided, we may bill you for the lesser of the net amount due to us or the unpaid annual term contract fee. We will bill or charge you any balance owed to us through the same mechanism as any previous installment billings, or we will direct bill you if such a mechanism is not available.

VI. DISPUTE RESOLUTION

1. **ARBITRATION:** All disputes, controversies or claims of any sort, arising out of or in any way relating to this Agreement, its negotiation, and the Services provided pursuant to it, whether based in contract, tort, regulation, or any other legal or equitable theory (collectively "Disputes"), shall be resolved at the consumer's choice by settlement or final and binding arbitration or in and through a small claims court having jurisdiction over such Disputes. Arbitration shall be conducted within the geographical limits of the applicable federal district court where the Covered Property is located, or such other location upon which both parties mutually agree. The Commercial Arbitration Rules and Supplementary Procedures for Consumer-Related Disputes of the American Arbitration Association (the "Arbitration Rules") in effect at the time arbitration is demanded by either party shall govern the arbitration proceeding and the selection of one neutral arbitrator to preside over the proceeding. The arbitrator is empowered to decide all Disputes and all questions related to the enforceability and scope of these Dispute Resolution provisions, including but not limited to the validity, interpretation and applicability of these Dispute Resolution provisions. Additionally, this transaction involves interstate commerce, and these Dispute Resolution provisions shall be governed by the Federal Arbitration Act, as amended (9 USC 1). No arbitration may proceed on a class or representative basis, and the arbitrator may not consolidate any arbitration proceeding governed by these Dispute Resolution provisions with any other person's arbitration proceeding, and may not otherwise preside over any form of a representative or class proceeding. Under the Arbitration Rules, although each party is required to pay certain administrative and arbitrator fees, the amount the consumer may be required to pay is limited. Each party to arbitration is responsible for its own attorney's fees, if the party chooses to be represented by an attorney.
2. **CLASS ACTION AND JURY TRIAL WAIVER:** Each party to this Agreement may bring a Dispute against the other only in its individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. Each party gives up or waives any right it may have to have any Disputes between them resolved by a jury.
